COMMENTS

Trinity County Radio ("Trinity"), by its attorney, hereby submits its comments in response to the Notice Of Proposed Rule Making ("NPRM") released April 30, 1999 in the above-captioned allotment proceeding in which the Commission has proposed to amend Section 73.202(b) of its Rules, FM Table of Allotments, to allot FM Channel 251A to Groveton, Texas as its first local service.

1. Trinity hereby incorporates by reference its Petition For Rulemaking ("Petition") filed in this proceeding. As demonstrated in the Petition, the aforementioned allotment will serve the public interest by providing Groveton with its first local service.

2. Trinity restates its present intention to apply for authorization to construct the station on Channel 251A at Groveton if the requested allotment is made. If the application is granted, Trinity will promptly construct the authorized facilities.

WHEREFORE, for the foregoing reasons, the Commission should amend
Section 73.202(b) of its rules to allot FM Channel 251A to Groveton, Texas.

Respectfully submitted,

TRINITY COUNTY RADIO
